Welcome to UnitedHealthcare Community Plan and Washington Apple Health

Welcome!

Thank you for enrolling in Washington Apple Health (Medicaid) Behavioral Health Services Only (BHSO) and welcome to UnitedHealthcare Community Plan, your health plan. We work with Apple Health to provide your BHSO coverage. This handbook will provide more details about your covered benefits and how to get services.

Most Apple Health BHSO clients are enrolled with managed care. This means Apple Health pays your monthly premium for your coverage. Your coverage is for behavioral health services including mental health and substance use disorder treatment services. You must see providers who are in UnitedHealthcare Community Plan's provider network. You need pre-approval to see providers outside of your plan's network. Most services received outside of our service area will not be covered unless pre-approved.

Dual-Eligible Special Needs Plans (D-SNP) are available to some Apple Health members. This is a special kind of Medicare Advantage plan for dual-eligible individuals that allows for care coordination between Medicare and Apple Health services. A dual-eligible individual has both Medicare coverage and Apple Health coverage. This includes physical and behavioral health care coverage.

UnitedHealthcare Community Plan will get in touch with you in the next few weeks. You can ask us any questions you have and get help making appointments. Our phone lines are open for any questions you have before we call you. Call us at **1-877-542-8997**, TTY **711**, 8:00 a.m. to 5:00 p.m., Monday to Friday.

If English is not your preferred language or you are deaf, deafblind, or hard of hearing, we can help. We want you to be able to access your health care benefits. If you need any information in a language other than English, including sign language, call us at **1-877-542-8997**, TTY **711**. We will provide language assistance at no cost to you. We can also help you find a provider who speaks your language.

You are entitled to language access services when you attend a health care appointment covered by Apple Health. Your provider is required to schedule an interpreter for your appointments. Let your health care provider know you need an interpreter when you schedule your appointment.

Spoken language interpreters can go to the provider's office, be on the phone, or on video during your appointment. Sign language interpreters can go to the provider's office or be on video during your appointment.

If you have any questions about our interpreter services program, visit our website at myuhc.com/CommunityPlan or uhccommunityplan.com/wa/medicaid/bhso. You can also visit the Health Care Authority (HCA) Interpreter Services webpage at hca.wa.gov/interpreter-services or email HCA Interpreter Services at interpretersvcs@hca.wa.gov.

Call us if you need help understanding information or if you need it in other formats. If you have a disability, are blind or have limited vision, are deaf or hard of hearing, or do not understand this book or other materials, call us at **1-877-542-8997**, TTY **711**. We can provide you with materials in another format or auxiliary aids, like braille, at no cost to you. We can tell you if a provider's office is wheelchair accessible or has special communication devices or other special equipment. We also offer:

- TTY line (Our TTY phone number is **711**)
- Information in large print
- Help in making appointments or arranging transportation to appointments
- Names and addresses of providers who specialize in specific care needs

Getting started

You will need two cards to access services, your UnitedHealthcare Community Plan card and your ProviderOne services card

1. Your UnitedHealthcare Community Plan member ID card

Your member ID card should arrive 30 days after enrolling in coverage. Your member ID number will be on your member ID card. Call us right away if any information is incorrect. Always carry your ID card and show it each time you get care. You do not need to wait for your card to arrive to go to a provider or fill a prescription. Contact us at **1-877-542-8997**, TTY **711** if you need care before your card comes. Your provider can also contact us to check eligibility at any time.

Note: If you do not receive your ID card within 30 days, please contact us right away to verify your address and get a new ID card sent to you. You can also print a copy of your ID card from myuhc.com/CommunityPlan.

Questions? Visit myuhc.com/CommunityPlan, 13
or call Member Services at **1-877-542-8997**, TTY **711**.

[Table of contents](#)

2. Your ProviderOne services card

You will also receive a ProviderOne services card in the mail.

Your ProviderOne services card will be mailed to you seven to 10 days after you're found eligible for Apple Health coverage. This is a plastic ID card that looks like other health insurance ID cards. Keep this card. HCA will not automatically send you a new one if you received one in the past. You can request a new card, if needed. Each person has their own ProviderOne client number. Take this card with you to your doctor appointments. Providers use this card to make sure your services are covered.

Using the ProviderOne services card

You can view a digital copy of your ProviderOne services card through the WAPlanfinder mobile app. Learn more about the app at wahbexchange.org/mobile/. There is no need to order a replacement when you always have a digital copy with you!

Your ProviderOne client number is on the back of your card. It will always be nine digits long and end in "WA". Confirm your coverage started or switch your health plan through the ProviderOne Client Portal at www.waproviderone.org/client.

Health care providers can also use ProviderOne to see whether you are enrolled in Apple Health.

If you need a new ProviderOne services card

You can request a new ProviderOne services card if you don't receive your card, the information is incorrect, or you lose your card. You can request a replacement several ways:

- Visit the ProviderOne client portal website: www.waproviderone.org/client
- Call the toll-free IVR line at 1-800-562-3022, follow the prompts
- Request a change online: <https://fortress.wa.gov/hca/p1contactus/>
 - Select “Client”
 - Select the topic “Services Card”

There is no charge for a new card. It takes seven – 10 days to get the new card in the mail.

Changing behavioral health services plans

You have the right to change your Behavioral Health Services Only (BHSO) plan at any time. Your plan change may happen as soon as the month after you make your change. Make sure you are enrolled in the newly requested plan before you see providers in your new plan's network.

There are several ways to switch your plan:

- Change your plan on the Washington Healthplanfinder website: wahealthplanfinder.org
- Visit the ProviderOne client portal: <https://www.waproviderone.org/client>
- Request a change online: <https://fortress.wa.gov/hca/p1contactus/home/client>
 - Select the topic “Enroll/Change Health Plans”
- Call HCA: 1-800-562-3022 (TRS: 711)

We will transition your care if you decide to change health plans. We will work with your new plan to transition medically necessary care so you can keep getting services you need.

Note: Enrollees in the Patient Review and Coordination program must stay with the same health plan for one year. Contact us if you move.

Using private health insurance and your UnitedHealthcare Community Plan coverage

Some enrollees have private health insurance. We may work with other insurance to help cover some copays, deductibles, and services private health insurance does not cover.

Make sure your behavioral health care providers are in UnitedHealthcare Community Plan's provider network or willing to bill us for any copays, deductibles, or balances that remain after your primary coverage pays your health care bill. This will help you avoid any out-of-pocket costs. If you are Medicare eligible, remember your doctor must bill Medicare first.

Show all cards when you go to the doctor or other medical providers. This includes:

- Private health insurance card,
- ProviderOne services card, and
- UnitedHealthcare Community Plan card.

Contact UnitedHealthcare Community Plan right away if:

- Your private health insurance coverage ends,
- Your private health insurance coverage changes, or
- You have any questions about using Apple Health with your private health insurance.

How to get behavioral health services

Behavioral health services and your primary care provider (PCP)

Behavioral health includes mental and substance use disorder (SUD) treatment services. Most behavioral health members already have a primary care provider (PCP) from another medical network like Medicare, private health insurance, Indian Health Center, or Apple Health without a managed care plan (also called fee-for-service). We will coordinate your behavioral health services with your PCP, if necessary. Call us at **1-877-542-8997**, TTY **711** if you need help.

One of our behavioral health providers will take care of your behavioral health needs including mental health and substance use disorder treatment services. We will coordinate your behavioral health needs if you need counseling, testing, or need to see a behavioral health specialist.

How to get behavioral health services

If you need behavioral health services you do not need a referral from a physician to see behavioral health specialists in your plan or to access drug and alcohol treatment services covered by your plan. Required care is 100% covered. If you need behavioral health care, your PCP and UnitedHealthcare Community Plan can help coordinate your care.

We will get you the care you need from a specialist outside the UnitedHealthcare Community Plan network if we don't have one in network. We need to pre-approve any visits outside of our network. Discuss this with your PCP.

Your PCP will request pre-approval from us with medical information to show us why you need this care. We must respond to your PCP within five days of the request. We will notify you of our decision no later than 14 days.

You have the right to appeal if we deny this request and you disagree with our decision. This means you can ask us to have a different person review the request. See page 36 for more information.

You are not responsible for any costs if your PCP or UnitedHealthcare Community Plan refers you to a specialist outside of our network and we give pre-approval.

Services you can get without a referral

You do not need a referral from your PCP to see a provider in our network if you need:

- Behavioral health services including:
 - Crisis intervention
 - Evaluation and Treatment services
- Outpatient behavioral health services (see page 28 for limitations)

Telehealth/Telemedicine

You can visit with your provider over the phone or the computer instead of an in-person appointment. This is known as telemedicine. Telemedicine (also referred to as telehealth) must be private, interactive, and real-time audio or audio and video communications.

You can share information with your provider and receive diagnosis and treatment in real time without being in the same place.

The telehealth/telemedicine providers below are available at no cost to members.

Apple Health services covered without a managed care plan (also called fee-for-service)

HCA pays for some benefits and services directly even if you are enrolled in a health plan. These benefits include:

- Long-term care services and supports, and
- Services for individuals with developmental disabilities.

You will only need your ProviderOne services card to access these benefits. Your PCP or UnitedHealthcare Community Plan will help you access these services and coordinate your care. See page 27 for more details on covered benefits. Call us if you have questions about a benefit or service listed here.

You must go to UnitedHealthcare Community Plan behavioral health providers and hospitals

You must use behavioral health providers who work with UnitedHealthcare Community Plan. We also have hospitals and pharmacies for you to use. You can request a directory with information about our providers, pharmacies, and hospitals. Directories include:

- The provider's name, location, and phone number
- The specialty, qualifications, and medical degree
- Medical school attended, Residency completion, and Board Certification status
- The languages spoken by those providers
- Any limits on the kind of patients (adults, children, etc.) the provider sees
- Identifying which providers are accepting new patients

To get a directory call our member services line at **1-877-542-8997**, TTY **711** or visit our website myuhc.com/CommunityPlan or uhccommunityplan.com/wa/medicaid/bhso.

Payment for behavioral health services

As an Apple Health client, you have no copays or deductibles for any covered services. You might have to pay for your services if:

- You get a service that Apple Health does not cover
- You get a service that is not medically necessary
- You don't know the name of your health plan, and a service provider you see does not know who to bill
 - It's important to take your ProviderOne services card and health plan card with you every time you need services
- You get care from a service provider who is not in our network and it is not an emergency or pre-approved by your health plan
- You don't follow our rules for getting care from a specialist

Providers should not ask you to pay for covered services. Call us at **1-877-542-8997**, TTY **711** if you get a bill. We will work with your provider to make sure they are billing you correctly.

Quality Improvement programs

UnitedHealthcare Community Plan has a Quality Improvement program. It works to give our members better care and services. Each year we report how well we are providing behavioral health care services to our members. Many of the things we report are major public behavioral health issues. If you would like to know more about our Quality Improvement program and our progress towards meeting goals, please call **1-877-542-8997**, TTY **711**.

Utilization Management programs

UnitedHealthcare Community Plan wants you to get care that's right for you, without getting care you don't need. We help make sure you get the right level of care by making decisions based on medical need, appropriateness, and covered benefits.

We do not reward the staff who make these decisions for saying no. This makes sure our decisions are fair. If you have questions about how these decisions are made, call **1-877-542-8997**, TTY **711**, 8:00 a.m. to 5:00 p.m., Monday to Friday.

How we evaluate new technology

We review new equipment, drugs, and procedures to decide if they should be covered based on medical necessity. Some new equipment, drugs, and procedures are still being tested to see if they really help. If they are still being tested, they are called experimental or investigational. These services are covered after research and UnitedHealthcare Community Plan determines they are more helpful than harmful. If you want to know more, contact us at **1-877-542-8997**, TTY **711**.

Information for American Indians and Alaska Natives

HCA gives American Indians and Alaska Natives in Washington a choice between Apple Health managed care or Apple Health coverage without a managed care plan (also called fee-for-service). HCA does this to comply with federal rules, in recognition of the Indian health care delivery system, and to help ensure that you have access to culturally appropriate health care. You can contact HCA at 1-800-562-3022 for questions or to change your enrollment. You can change your selection(s) at any time, but the change will not take effect until the next available month.

If you are American Indian or Alaska Native, you may be able to get health care services through an Indian Health Service facility, tribal health care program or Urban Indian Health Program (UIHP) such as the Seattle Indian Health Board or NATIVE Project of Spokane. The providers at these clinics are knowledgeable and understand your culture, community, and health care needs. If you are connected or partnered with a Tribal Assister through an IHS facility, Tribal health program or UIHP, they can help you make your decision.

They will give you the care you need or refer you to a specialist. They may help you decide whether to choose a managed care plan or Apple Health coverage without a managed care plan. If you have questions about your health care or your health care coverage, your tribal or UIHP staff may be able to help you.

Dual-Eligible Special Needs Plan (D-SNP)

A dual-eligible individual has both Medicare coverage and Apple Health coverage. If you are a dual-eligible client, Medicare is your primary coverage for your physical health care needs. Apple Health will be your secondary coverage. Dual-eligible clients also have behavioral health coverage through an Apple Health Behavioral Health Services Only (BHSO) managed care plan.

You have the option to choose the same plan for your D-SNP and BHSO coverage, if you live in a county that offers aligned enrollment. Aligned enrollment helps dual-eligible clients manage their physical and behavioral health services under one plan. This makes it easier to find a provider and coordinate your Medicare and Apple Health services.

Enrollment into a D-SNP follows the Medicare open enrollment timelines below:

- **Initial Enrollment Period.** When you first become eligible for Medicare, you can join a plan.
- **Open Enrollment Period.** From October 15 – December 7 each year, you can join, switch, or drop a plan. Your coverage will begin on January 1 (as long as the plan gets your request by December 7).
- **Medicare Advantage Open Enrollment Period.** From January 1 – March 31 each year, if you're enrolled in a Medicare Advantage Plan, you can switch to a different Medicare Advantage Plan or switch to Original Medicare (and join a separate Medicare drug plan) once during this time.
Note: You can only switch plans once during this period.

View the aligned enrollment map in our service area guide (<https://www.hca.wa.gov/assets/free-or-low-cost/d-snp-service-area-guide.pdf>) to see if alignment is available in your county.

What if I am an American Indian/Alaska Native?

Dual-eligible American Indian/Alaska Natives can:

- Enroll in an Apple Health BHSO, or
- Receive Apple Health behavioral health coverage without a plan.

There are advantages and disadvantages to each, depending on your individual circumstances. Tribal health clinic and urban Indian clinic staff are familiar with these options and can help you make your choice. Learn more about Apple Health coverage for American Indian/Alaska Natives (<https://www.hca.wa.gov/free-or-low-cost-health-care/i-need-medical-dental-or-vision-care/american-indians-and-alaska-natives-ai>).

Accessing your health information

The Interoperability and Patient Access rule (CMS-9115-F) was passed in 2020 by the Centers for Medicare & Medicaid Services (CMS). The rule makes it easier for you to access and share your health data. For example, use your smart phone app to find out about claims, medications and more. This shared data is found with certain insurance plans. Apps can get information starting from 2016. The year apps can start collecting health data is based on when you enrolled in your current plan. Why share data between you, health care providers and the apps? It helps everyone work together to improve patient care. This may help reduce your health care costs, too.

To place a request to see and obtain a copy of certain PHI, you can contact us at **1-877-542-8997**, TTY **711**, or you can submit a written request. View our privacy policy online at www.uhccommunityplan.com/privacy-policy or myuhc.com/CommunityPlan.

Important information about denials, appeals, and administrative hearings

A denial is when your health plan does not approve or pay for a service that either you or your doctor asked for. When we deny a service, we will send you a letter telling you why we denied the requested service. This letter is the official notice of our decision. It will let you know your rights and information about how to request an appeal.

You have the right to ask for a review of any decision if you disagree, think it was not correct, not all medical information was considered, or you think the decision should be reviewed by another person. This is called an appeal. We will help you file an appeal.

An appeal is when you ask us to review your case again. You may appeal a denied service. You may call or write to let us know, but you must inform us of your appeal within 60 calendar days of the date of denial. We can help you file an appeal. Your provider, Ombuds, or someone else may appeal for you if you sign to say you agree to the appeal. You only have 10 calendar days to appeal if you want to keep getting a service that you are receiving while we review our decision. We will reply in writing telling you we received your request for an appeal within five calendar days. In most cases we will review and decide your appeal within 14 calendar days. We must tell you if we need more time to make a decision. An appeal decision must be made within 28 calendar days.

You can request an appeal verbally or in writing. Send written appeal request to:

UnitedHealthcare Community Plan
Grievances and Appeals
P.O. Box 31364
Salt Lake City, UT 84131-0364
or Fax at 1-801-994-1082

We can help you file your appeal. To request an appeal verbally, call us at **1-877-542-8997**, TTY **711**.

Note: If you keep getting a service during the appeal process and you lose the appeal, **you may have to pay for the services you received.**

If it's urgent. For urgent behavioral health conditions, you or your doctor can ask for an expedited (quick) appeal by calling us. If your behavioral health condition requires it, a decision will be made about your care within three days. To ask for an expedited appeal, tell us why you need the faster decision. If we deny your request, your appeal will be reviewed in the same time frames outlined above. You may file a grievance if you do not like our decision to change your request from an expedited appeal to a standard appeal. We will try to call you if we deny your request for an expedited appeal so we can explain why and help answer any questions. You may file a grievance if you do not like our decision to change your request from an expedited appeal to a standard appeal. We must mail a written notice within two calendar days of a decision.

If you disagree with the appeal decision, you have the right to ask for an administrative hearing. In an administrative hearing, an administrative law judge who does not work for us or HCA will review your case.

You have 120 days from the date of our appeal decision to request an administrative hearing. You only have 10 days to ask for an administrative hearing if you want to keep getting the service that you were receiving before our denial.

To ask for an administrative hearing you will need to tell the Office of Administrative Hearings that UnitedHealthcare Community Plan is involved; the reason for the hearing; what service was denied; the date it was denied; and the date that the appeal was denied. Also, be sure to give your name, address, and phone number.

Submit the request for a hearing by:

- Calling the Office of Administrative Hearings (oah.wa.gov) at 1-800-583-8271

Or:

- Writing to:
Office of Administrative Hearings
P.O. Box 42489
Olympia, WA 98504-2489

You may talk with a lawyer or have another person represent you at the hearing. If you need help finding a lawyer, visit nwjustice.org or call the NW Justice CLEAR line at 1-888-201-1014.

The administrative hearing judge will send you a notice explaining their decision. If you disagree with the hearing decision, you have the right to appeal the decision directly to HCA's Board of Appeals or by asking for a review of your case by an Independent Review Organization (IRO).

Important time limit: The decision from the hearing becomes a final order within **21 days** of the date of mailing if you take no action to appeal the hearing decision.

If you disagree with the hearing decision, you may request an Independent Review. You do not need to have an independent review and may skip this step and ask for a review from HCA's Board of Appeals.

An IRO is an independent review by a doctor who does not work for us. To request an IRO, you must call us and ask for a review by an IRO within 21 days after you get the hearing decision letter. You must provide us any extra information within five days of asking for the IRO. We will let you know the IRO's decision.

You can contact us at **1-877-542-8997**, TTY **711** for assistance.

If you do not agree with the decision of the IRO, you can ask to have a review judge from the HCA's Board of Appeals to review your case. You only have 21 days to ask for the review after getting your IRO decision letter. The decision of the review judge is final. To ask a review judge to review your case:

- Call 1-844-728-5212

Or:

- Write to:
HCA Board of Appeals
P.O. Box 42700
Olympia, WA 98504-2700

Advance directives

What is an advance directive?

An advance directive puts your choices for health care into writing. The advance directive tells your doctor and family:

- What kind of health care you do or do not want if:
 - You lose consciousness
 - You can no longer make health care decisions
 - You cannot tell your doctor or family what kind of care you want
 - You want to donate your organ(s) after your death
 - You want someone else to decide about your health care if you can't

Having an advance directive means your loved ones or your doctor can make medical choices for you based on your wishes. There are three types of advance directives in Washington State:

1. Durable power of attorney for health care. This names another person to make medical decisions for you if you are not able to make them for yourself.
2. Healthcare directive (living will). This written statement tells people whether you want treatments to prolong your life.
3. Organ donation request.

Talk to your doctor and those close to you. You can cancel an advance directive at any time. You can get more information from us, your doctor, or a hospital about advance directives. You can also:

- Ask to see your health plan's policies on advance directives
- File a grievance with UnitedHealthcare Community Plan or HCA if your directive is not followed

The Physician Orders for Life Sustaining Treatment (POLST) form is for anybody who has a serious health condition and needs to make decisions about life-sustaining treatment. Your provider can use the POLST form to represent your wishes as clear and specific medical orders. To learn more about Advance Directives contact us.

Mental health advance directives

What is a mental health advance directive?

A mental health advance directive is a legal written document that describes what you want to happen if your mental health problems become so severe that you need help from others. This might be when your judgment is impaired and/or you are unable to communicate effectively.

It can inform others about what treatment you want or don't want, and it can identify a person to whom you have given the authority to make decisions on your behalf.

If you have a physical health care advance directive you should share that with your mental health care provider so they know your wishes.

How do I complete a mental health advance directive?

You can get a copy of the mental health advance directive form and more information on how to complete it at hca.wa.gov/free-or-low-cost-health-care/i-need-behavioral-health-support/mental-health-advance-directives.

UnitedHealthcare Community Plan, your behavioral health care provider, or your Ombuds can also help you complete the form. Contact us for more information.

Preventing fraud, waste, and abuse

When fraud, waste and abuse go unchecked, it costs taxpayer dollars. These dollars could be used for coverage of critical Apple Health benefits and services within the community. As enrollees you are in a unique position to identify fraudulent or wasteful practices. If you see any of the following, please let us know:

- If someone offers you money or goods in return for your ProviderOne services card or if you are offered money or goods in return for going to a health appointment
- You receive an explanation of benefits for goods or services that you did not receive
- If you know of someone falsely claiming benefits
- Any other practices that you become aware of that seem fraudulent, abusive or wasteful

If you suspect a fraud, waste and abuse event involving a care provider, please notify UnitedHealthcare Community Plan by calling our Fraud, Waste and Abuse Hotline: **1-800-455-4521** or **1-877-401-9430**.
