How to use this Directory

Choosing a Primary Care Physician (PCP)

There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all your health care. This includes referrals to specialists. PCPs may be family or general practitioners, internists, pediatricians, or other providers approved by UnitedHealthcare Community Plan.

Changing your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP during the year. You may also contact a provider to find out if the provider contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the provider is taking new patients.

Seeing another doctor or specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see your specialist as often as needed. If you have complex care needs, a specialist can be your PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

Women's health care services

If you are female, you may want to see a provider in our network who offers women's health care. You can get these services from an in-network women's health care provider without a PCP referral.

These women's health services are covered without a PCP referral or health plan preauthorization:

- Maternity care, including prenatal, delivery, and postnatal care
- Routine gynecological exams
- Examination and treatment of disorders of the female reproductive system
- Other health problems treated during a woman's health care visit, if the treatment is within the provider's scope of practice and the service is not excluded

If you need to see a women's health provider who is not in our network, you must get a referral from your PCP.

Out-of-network providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP will need to call us for an okay for these services before they will be covered. This is called a Prior Authorization.

Referrals

Network providers help you and your covered family members get the care needed. Access to specialists may be coordinated by your PCP.

Pharmacy

For locations of pharmacies, call Member Services at **1-866-270-5785**, TTY **711**.

Emergency care

In an emergency, you do not need a prior authorization. Call 911 or go to the nearest emergency room. You can get emergency care 24 hours a day, 7 days a week.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

This email box is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this mail box will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call 1-888-638-6613.

Providers should use the UHC Provider Portal at **UHCPProvider.com** or use the upgraded My Practice Profile. Contractual issues should be addressed through your UnitedHealthcare Community Plan Network contact.

Paano gagamitin ang Direktoryo na ito

Pagpili ng Doktor ng Pangunahing Pangangalaga (Primary Care Physician, PCP)

Mayroong iilang klase ng PCPs sa direktoryo na ito. Maaaring pumili ang bawat sinasaklaw na miyembro ng pamilya ng iba't ibang PCP sa UnitedHealthcare Community Plan. Bukod sa emerhensiya, ang iyong PCP at kawani ay magbibigay o mamamahala ng lahat ng iyong pangangalagang pangkalusugan. Ito ay kinabibilangan ng mga referral sa mga espesyalista. Ang PCPs ay maaaring pamilya o pangkalahatang doktor, mga internist, mga pediatrician, o iba pang mga provider na aprubado ng UnitedHealthcare Community Plan.

Pagpapalit ng iyong PCP

Kung gusto mong palitan ang iyong PCP, tawagan ang mga Serbisyo sa Miyembro. Sila ay tutulong sa iyong pumili ng bagong PCP. Maaari mong baguhin ang iyong PCP sa loob ng taon. Maaari mo ring tawagan ang isang provider para malaman kung ang mga provider ay nakikipag-kontrata sa UnitedHealthcare Community Plan. Kung ikaw ay tatawag, siguraduhing banggitin ang UnitedHealthcare Community Plan. Tanungin kung ang provider ay tumatanggap ng mga bagong pasyente.

Nakikipagkita sa iba pang doktor o espesyalista

Ang iyong PCP ay maaaring gusto kang papuntahin sa isa espesyalista. Ang espesyalista ay isang doktor na gumagamot sa espesyal na problema, gaya ng isang dermatologist o isang doktor sa puso. Ang iyong doktor ay tutulong sa iyo na maghanap ng tamang espesyalista. Kung mayroon kang kumplikadong sakit, maaaring kailangan mong makipagkita sa espesyalista nang maraming beses. Maaari kang makipagkita sa iyong espesyalista nang madalas ayon sa kinakailangan. Kung mayroon kang kumplikadong mga pangangailangan sa pangangalaga, maaaring ang espesyalista ang iyong PCP. Kung kailangan mo ito, tumawag sa mga Serbisyo sa Miyembro. Tutulungan ka naming maghanap ng espesyalista na makakatugon sa iyong mga pangangailangan.

Mga serbisyo sa pangangalagang pangkalusugan ng kababaihan

Kung ikaw ay babae, maaaring gusto mong makipagkita sa isang provider sa aming network na nag-aalok ng pangangalagang pangkalusugan sa kababaihan. Maaari mong makuha ang mga serbisyong ito mula sa in-network na provider ng pangangalang pangkalusugan sa kababaihan nang walang referral ng PCP.

Itong mga serbisyo sa kalusugan ng kababaihan ay sinasaklaw nang walang referral ng PCP o paunang awtorisasyon ng planong pangkalusugan:

- Pangangalaga sa nanay, kabilang ang prenatal, panganganak, at postnatal na pangangalaga

- Pagsusuri at paggamot ng mga karamdaman ng reproduktibong sistema ng babae

- Iba pang mga problema sa kalusugan na ginagamot sa panahon ng pagbisita sa pangangalagang pangkalusugan ng babae, kung ang paggamot ay nasa loob ng sakop ng kasanayan ng provider at ang serbisyo ay hindi nakabukod

Kung kailangan mong makipagkita sa provider ng kalusugan ng kababaihan na wala sa aming network, kailangan mong kumuha ng referral mula sa iyong PCP.

Wala sa network na mga provider

Ikaw o ang iyong PCP ay maaaring magpasya na kailangan mong makipagkita sa isang doktor o provider na wala sa aming network. Ang iyong PCP ay kailangang tumawag sa amin para mag okay para sa mga serbisyong ito bago sila sasaklawin. Ito ay tinatawag na isang Paunang Pahintulot.

Mga Referral

Ang mga network provider ay tumulong sa iyo at iyong sinasaklaw na mga miyembro ng pamilya na makakuha ng kailangang pangangalaga. Maaaring ikoordinang iyong PCP ang mga akses sa mga espesyalista.

Para sa mga lokasyon ng mga parmasya, tumawag sa mga Serbisyo sa Miyembro sa **1-866-270-5785**, TTY **711**.
