Choosing a Primary Care Physician (PCP) for you and your family is easy

There are several types of PCPs listed here.

Primary Care Physicians

Family Medicine:	Adults and children
Pediatrics:	Children
Internal Medicine:	Adults
General Practice:	Adults and children
OB/GYN: (who specifically request to act as a PCP)	Adult women
Physician's Assistants:	Adults and children
Nurse Practitioners:	Adults and children
Geriatrics:	Adults
Clinics: (to include IHS, FQHC, RHC)	Adults and children

To find a provider, go to the Table of Contents. The providers are listed by their specialty. (Specialty is the area of medicine in which this doctor is highly trained. The doctor trains in this area of medicine after medical school.) When you find the specialty you want, go to the page listed. Then you can pick the provider who meets your needs. Members may get care from a resident doctor or a nurse practitioner if supervised by a PCP. **Remember to take your member ID card with you.**

If there is no chapter in the Table of Contents for the type of provider you want, look in the chapter for Ancillary Providers. Providers that do not have specific chapters are listed there.

These listings are based on the provider's application. We verify certification and hospital affiliations when a provider joins our network. We check every three years (or sooner). We verify names, phone numbers, addresses, languages, limits and gender when a provider joins our network or gives us new information.

Reporting incorrect information

To report incorrect information, email provider_directory_invalid_issues@uhc.com.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Updating your practice or facility information

If you are a provider practice or facility, your demographic updates must be made in the NCDHHS credentialing portal, NC Tracks, at nctracks.nc.gov/content/public. At that site you will need to fill out a Manage Change Request (MCR) to correct or edit your practice or facility information.

In addition to correcting or editing your practice or facility information with the State, you may update your practice or facility information through the Provider Data Management application on **UHCprovider.com**. Go to **UHCprovider.com** > Our Network > Demographics and Profiles > My Practice Profile > Care Provider Paper Demographic Information Update Form. Or submit your change by:

- Completing the Provider Demographic Change Form and emailing it to the appropriate address listed on the bottom of the form
- Calling our Enterprise Voice Portal at 877-842-3210

Provider notices for Medicaid plans

In accordance with North Carolina Contractual Language, best practices specifically include, but are not limited to:

1. A provider opts out of being in the directory, such as when the provider is not open to the general public (e.g., a student health center open only to students of the educational organization).
2. A provider cannot traditionally be contacted directly for making appointments, such as facility-based providers like anesthesiologists or radiologists.
3. Provider is otherwise outside the scope of what would normally be included in a provider directory, such as a value-added service.

In addition, United Healthcare leverages policies to make informed decisions, as necessary, whether to include a provider in a consumer-facing directory.

Si no hay un capítulo en la Tabla de Contenido para el tipo de proveedor que usted necesita, busque en el capítulo de Proveedores Auxiliares. Los proveedores que no tienen capítulos específicos se encuentran anotados ahí.

Estas listas se basan en la aplicación del proveedor. Verificamos la certificación y las afiliaciones en el hospital cuando un proveedor se une a nuestra red. Comprobamos cada tres años (o antes). Informar información incorrecta

Para informar información incorrecta, envíe un correo electrónico a **provider_directory_invalid_issues@uhc.com**.

Este correo electrónico es para que los miembros informen posibles inexactitudes en los elementos de datos demográficos (dirección, teléfono, etc.) identificados en los directorios en línea o impresos. En ese sitio tendrá que rellenar una Solicitud de Gestión de Cambios (Manage Change Request, MCR) para corregir o editar la información de su consultorio o centro.

Además de corregir o editar la información de su consultorio o centro ante el Estado, puede actualizar la información de su consultorio o centro a través de la aplicación Provider Data Management (Administración de Datos del Proveedor) en **UHCprovider.com**. O, para enviar sus cambios, usted puede:

- Llenar el documento “Provider Demographic Change Form” (Formulario para Actualizar Información Demográfica) y enviarlo por correo electrónico a la dirección correspondiente que se encuentra al final del formulario
- Llamar a nuestro Portal de Correo de Voz Empresarial al 877-842-3210

Avisos a proveedores para planes de Medicaid

De acuerdo con el Lenguaje Contractual de North Carolina, las mejores prácticas específicamente incluyen, pero no se limitan a:

1. Un proveedor elige no estar incluido en el directorio, como cuando el proveedor no está abierto al público general (por ejemplo, un centro de salud para estudiantes abierto solo a estudiantes de una organización educativa).
2. Tradicionalmente, no se puede contactar directamente a un proveedor para hacer citas, tales como los proveedores que trabajan en centros como anestesistas o radiólogos.
3. El proveedor está fuera del alcance de lo que normalmente se incluiría en un directorio de proveedores, como un servicio de valor agregado.

Además, United Healthcare impulsa las políticas para tomar decisiones informadas, según sea necesario, sobre la inclusión de un proveedor en un directorio orientado al consumidor.
